

POLLING RESULTS FROM 11/2/11 GSCS MEETING

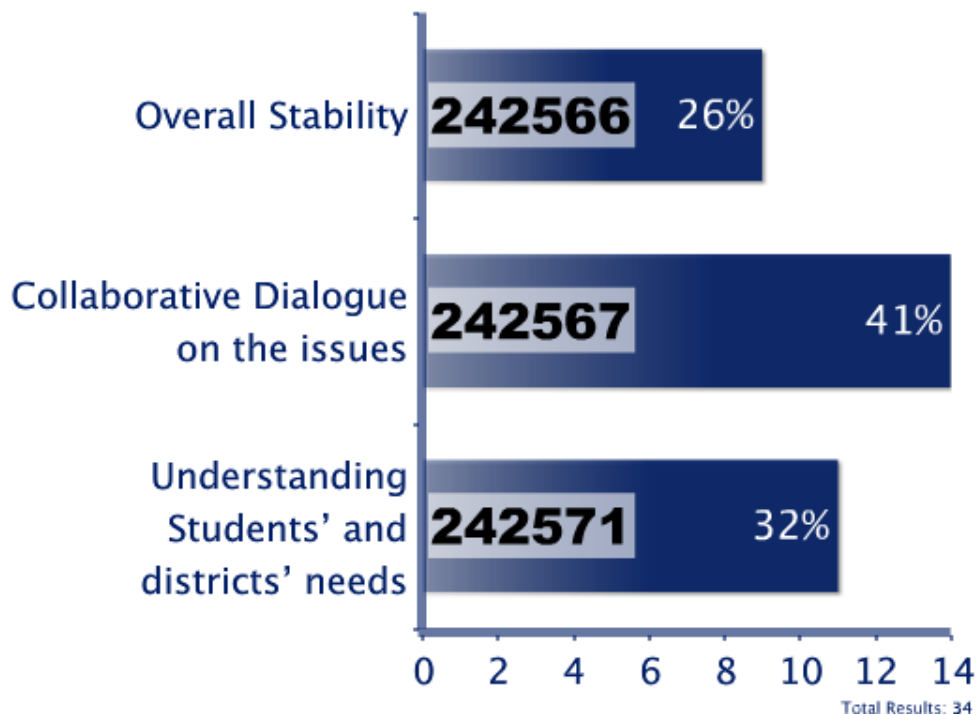

Which issue is most important to you?

Text a **CODE** to **37607** Submit a **CODE** to <http://PollEv.com>

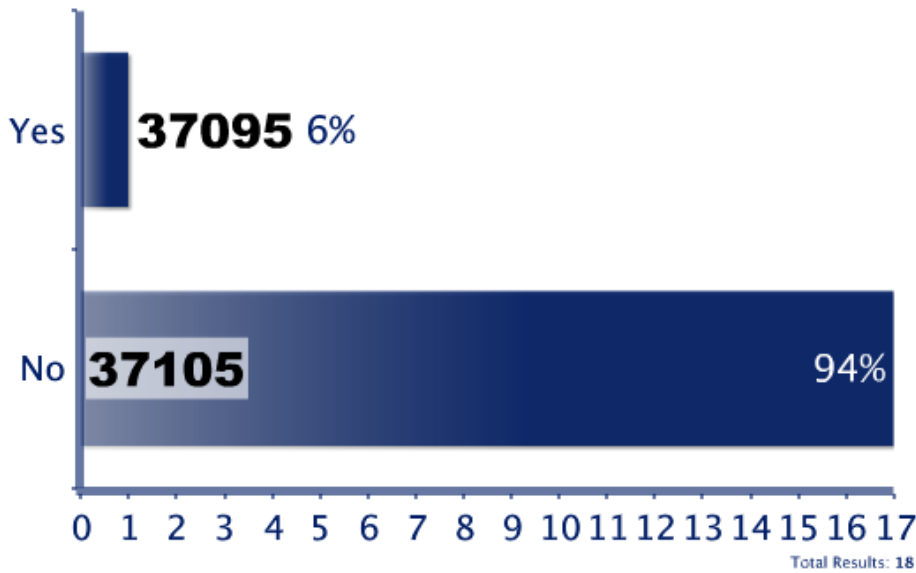

Overall, what is the most important need in public education today?

Text a **CODE** to **37607** Submit a **CODE** to <http://PollEv.com>

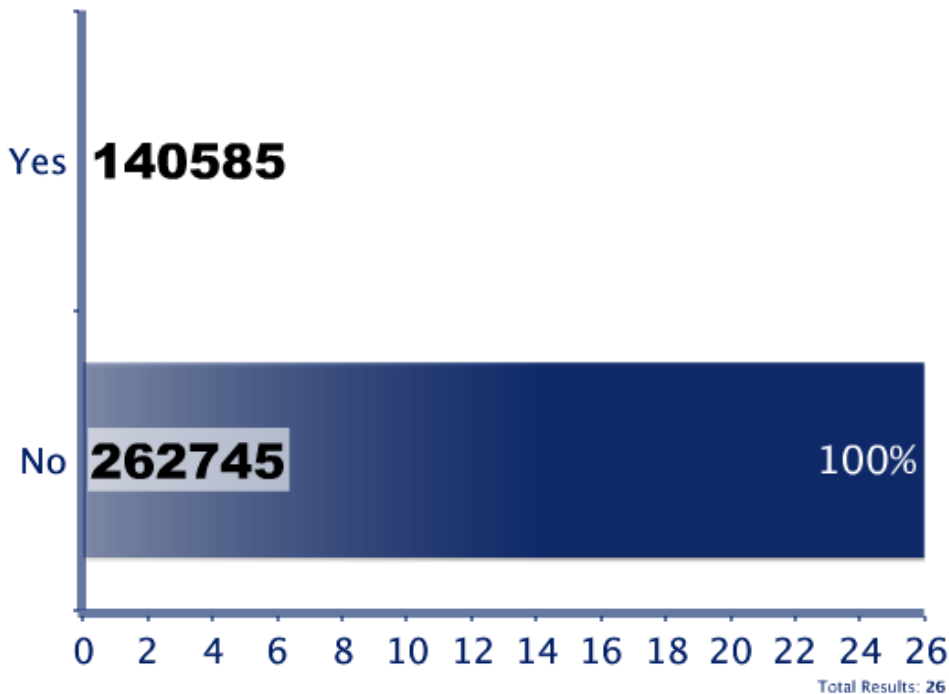

Given current timelines, will you have enough time to implement new performance evaluation and student growth testing processes with an expectation of success?

Text a **CODE** to **37607** Submit a **CODE** to <http://PollEv.com>

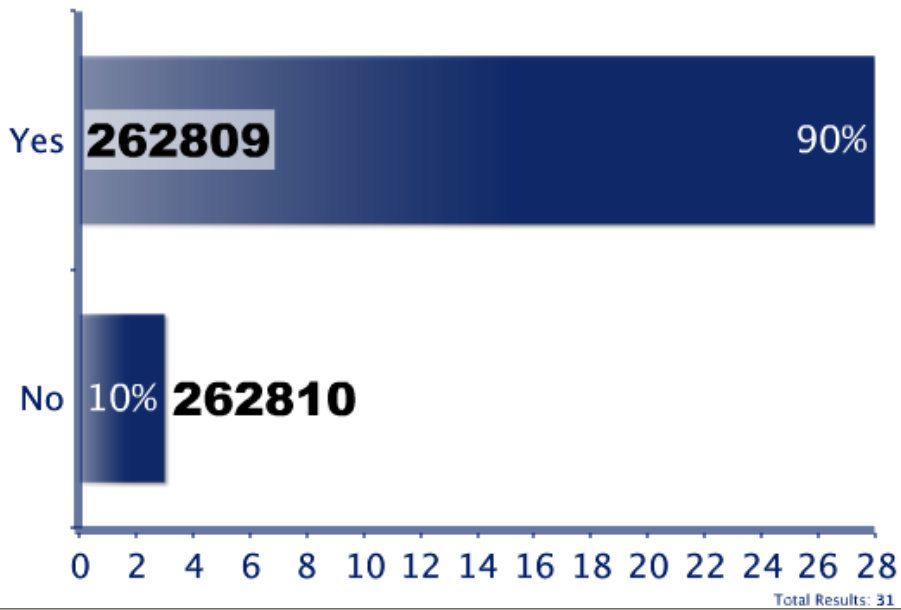

Did NCLB set the appropriate goal for 'all students to be proficient by 2014' ?

Text a **CODE** to **37607** Submit a **CODE** to <http://PollEv.com>

The state needs to focus more resources and attention on struggling schools and free successful schools of state regulation?

Text a **CODE** to **37607** Submit a **CODE** to <http://PollEv.com>

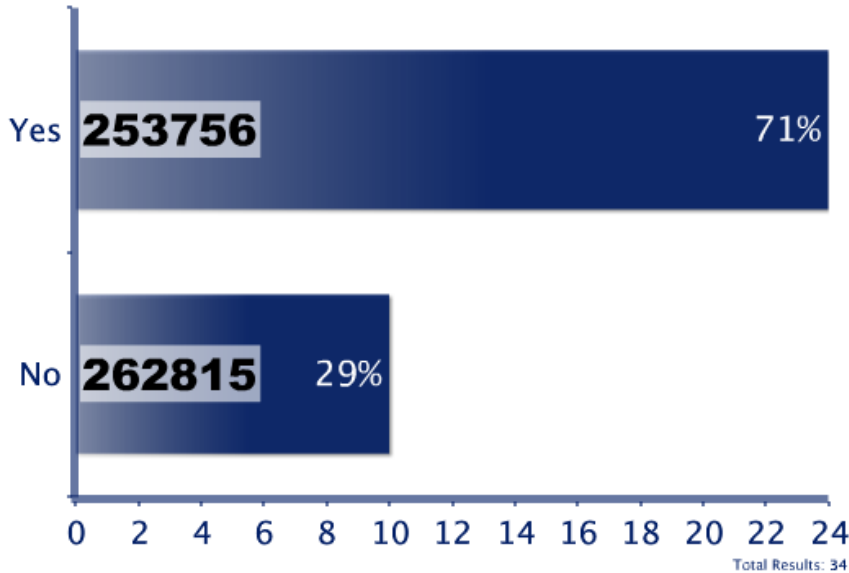

I believe that my school district will have no trouble with meaningfully implementing the common core curriculum?

Text a **CODE** to **37607** Submit a **CODE** to <http://PollEv.com>

The greatest challenge facing schools in the coming year is developing and funding adequate budgets?

Text a **CODE** to **37607** Submit a **CODE** to <http://PollEv.com>

The current status of reduced funding, tight caps on budgets & continued costly legislative requirements (charter school expansion & anti-bullying laws) have led to increased class sizes and decreased academic offerings in my district.
