Equalized School Tax Rates (Col.1) are calculated using the Equalized Valuation and the amount raised by local taxation for school purposes from the 2002 Abstract of Ratables.

Ratio: Eq Sch Tax Rate vs. State Avg (Col. 2) is calculated by dividing each municipality's equalized school tax rate by the state avg Total Local Eq Tax Rate(Col. 3) is calculated using the Equalized Valuation and the combined amounts raised for school, municip and county purposes for each municipality.

Ratio:Total Local Tax Rate vs. State Avg (Col. 4) is calculated by dividing the Total Local Eq Tax Rate by the state average.

The State Rank (Col.5) represents the 566 municipalities sorted highest to lowest according to the ratio of Total Local Tax Rate to State Avg.
