Equalized School Tax Rate (Col. 1) is calculated using the equalized valuation of each municipality and the total amount levied for school purposes in the municipality.

Total Equalized Tax Rate (Col. 3) is calculated using the equalized valuation of each municipality and the total amount levied for school, municipal and county purposes in the municipality.

The State Rank represents the 566 municipalities sorted highest to lowest according to the ratio of Local Equalized School Tax Rate to the State average equalized local school tax rate.
