CCCS Aid as % of T&E Budget is the Core Curriculum Content Standards Aid divided by the T&E Budget for the 2001-02 school year, which has not been changed since 2001-02.

Note: CCCS Aid entitlement amounts have been the same for the '01-02, '02-03, and 03-04 school years due to the state's decision to 'freeze' state aid in the '02-03, and '03-04 school years.
